You requested forced photometry for **ZTF20abydkrl**. I'll get right to it. Depending on whether the image files need to be downloaded, this can take a few minutes.

fpbot `APP` 5 minutes ago
Checking if all files are present and downloading missing ones. This might take a few minutes.

fpbot `APP` 1 minute ago
Fitting PSF. This won't take long.

fpbot `APP` < 1 minute ago
Plotting lightcurve(s).
